## Curriculum Vitae

**Name** *Mel Cooke BSc, MSc, PhD, CChem MRSC*  
**Current Position** *Director, Alchemy Compliance Ltd.*  
2001–present

**Company Profile** Alchemy Compliance is a regulatory consultancy that helps businesses to get their chemical products to the market, and keeps their current activity in compliance. Our intelligence also helps companies develop strategies for future developments. We have an international client base, and draw on 16 years of regulatory experience on a contract basis, which means we have a particularly broad knowledge and can tackle most issues relating to chemical legislation, particularly REACH, safety data sheets, classification and labelling, and risk assessment.

### Education and Training

1986–1989 PhD at the University of Leicester (organic chemistry–pharmacology)  
1984–1985 MSc at the University of Sheffield (organic chemistry)  
1981–1984 BSc at the University of Sheffield (chemistry)

### Professional Memberships

Royal Society of Chemistry (CChem, MRSC).  
Member of the Council of the Chemical Hazards Communication Society (CHCS).
